Copy of letter No C 562-64 dated 9th August 1949 from the President, Victoria Hospital Golden Jubilee Committee, to the President, City Municipal Council, Bangalore City.

I have herein enclosed a copy of an Appeal for funds to commemorate the Golden Jubilee of this Hospital, the premier institution of the State. You are aware of the services rendered by this institution to the people of Bangalore, the State and even other parts of India. There are people in many parts of the world who have had treatment here. The citizens of Bangalore, in particular, owe a deep debt of gratitude to this institution. It is a national institution. It has been resolved that a series of six operation theatres be constructed and equipped on modern lines in memory of this celebration. It would be a fitting monument. Further it has been decided that a Medical College and Central Nursing School should be attached to this institution. With regard to the latter, the authorities of the Government of India and Rockfeller Foundation are taking a keen interest and have deputed two their personnel to work out the plans.

I request you, Sir, to kindly get the Municipal Council of Bangalore to grant a liberal donation. As the appeal will indicate, a sum of Rupees Ten lakhs (10,00,000) is needed for this great purpose. May I suggest to you that the cost of the building and equipping one of the theatres be borne by our premier Municipality and the block named after the Municipality? I thank you in anticipation on behalf of the Committee.
